

Van Vliet Lake Association Board Meeting  
June 26, 2018

The meeting was called to order by Ronie Jacobsen at 3:10 p.m..

Those in attendance were Ed Brodsky, Jeff Burke, Ronie Jacobsen, Tom Olson, Mark Osberg, Diane Schroeder and Jim Sprester.

The main purpose of the meeting was to discuss the transitioning of our web site to Word Press. A decision about harvesting for this year was also needed.

Ronie spoke of the aquatic plant harvesting conditions and it was decided to notify the WDNR that it will be unnecessary for a lake visit as cutting appears not be needed this year. Ronie will send an email to the DNR. The permit will be applied for next year as our Aquatic Plant Management Plan will be viable until 2020.

Ronie announced she and Mike would host a pot luck social gathering for our lake on July 28, at 5:00 p.m., an email will be sent to our lake neighbors.

Ronie has been in touch with Scott Bertz, the owner of Web Work Life, and is pleased with his positive attitude and willingness to assist us. He believes he can complete the transition for no more than the \$600 that was approved at the annual meeting. It was unanimously agreed to proceed with this change. We will continue using Go Daddy as our server for the next two years as we have paid for that time, thereafter we will change to the server Scott suggests.

The discussion on how much of our present website to carry over to the new site ensued. Tom wants the many surveys (aquatic plant management) to be available on the new site going back to the 2005 original study along with any notes. Tom also suggested having the old news letters in some file on the new site.

Ronie requested help with going through information on the present website. Tom will help with the Hemlock section, Jeff will take care of zoning information and Ed will assist with photos. Ronie and Diane will start with reviewing the photos on our site and selecting a few to carry over to new website. Tom, Ed, and Mark were in favor of retaining all old information. It was decided to remove the information on septic inspection which is out of date. Jim volunteered to go over layout. We will retain board and members names.

Ronie will call Go Daddy to inform them of our work with Scott Bertz and let Scott know we are pleased to start working on this project.

The meeting adjourned at 4:30.

Respectfully submitted,  
Diane Schroeder
